Subject: 3rd Qtr. Compliance Test Waiver

Date: 08/26/2015

Dear Colonel Froehlich,

The Air Quality Program (AQP) has received and reviewed your letter dated August 20, 2015 via Ms. Andria Cuevas's e-mail (received by the AQP on August 20, 2015) requesting a waiver for performance testing on catalytic oxidizer (CATOX) Soil-Vapor Extraction (SVE) system as required by Permit No. 3036-EP.

Based on the facts delineated in your letter and under the auspices of EPA's April 2009 CMS policy, and also AQP Test Waiver Standard Operating Procedure (SOP), the AQP hereby waives the testing requirement for Quarter 3 Calendar Year (CY) 2015

This waiver request must be re-submitted for future CY Quarters.

If KAFB decides to operate the CATOX in Quarter 4 CY 2015, KAFB shall perform the required compliance test on this unit pursuant to 20.11.65 NMAC.

If you have any questions about this waiver, please feel free to contact me at (505) 768-1957.

Respectfully,

David Duran
